

Newsletter February 2016

Latest from the GTC

To celebrate the completion of the major renovations carried out to create a new kitchen, lounge area, ladies toilets and a new heating system, there was an open day in November which attracted over 200 visitors.

The event was formally opened by Inspector Simon Outen of the Lincolnshire Constabulary following a dedication address by Alan Ayris.

Open Day

There was a full schedule of entertainment including tours of the building, live music, readings, the Rattle-Jags Morris Dancers and competitions for the younger visitors.

We secured the funding from the WREN FCC Building Fund and West Lindsey Council which together was nearly £90,000. We are most grateful to them both for their support and financial assistance.

Folk Festival at the Old Nick

Thursday 3rd March at 7.30pm- Rattle Jags

Teas and Tours

Following the success of our Open Day, we have been asked by several members of the public about opening in the week to serve refreshments and offer tours of the building. We are very excited about this and hope to start soon!

We will keep you posted.
