#### Lion in the Winter - Wednesday 8<sup>th</sup> June 7.30pm

"Well -what shall we hang? The holly or each other?" It's Christmas Eve, 1183 and a family are gathering for the festive season, but there's more at stake than turkey and tinsel. A crown, a princess and the richest province on the continent are all up for grabs. Henry II is getting old. His three sons are snapping at his heels. His wife, his mistress and his arch enemy are all under the same roof. Can the old lion outwit them all and hang on to his crown, his kingdom and his beautiful mistress? Written in 1966, this witty, fast paced drama has become a modern classic.

We will be working with the Everton Village Players and Bawtry Phoenix Theatre on a joint production.

All tickets £7

### Acting Together

Each society will present a one act play in each of the three locations on consecutive nights.

**Gainsborough Theatre Company**  
**'A Respectable Funeral' - Jimmy Chin.**  
Evadne, Joyce and Greta, three middle-aged sisters, are gathered at the house of their deceased mother, following the funeral. Surprisingly, Charlie, their brother, who had looked after their mother after she was widowed, has failed to turn up. As the sisters talk and gossip, it becomes apparent that their late mother was no saint, being neither a faithful wife nor a loving parent. All the women have plans for the money that they will inherit when their mother's house will be sold; but then suddenly, Charlie arrives - with a request that will put pay to all their dreams.

**Everton Players**  
**Greenforms - Alan Bennett**  
In this fun snapshot of office life, Doreen and Doris work together in the office of a company which is facing cuts in some of its branches. On a normal day they keep busy by flirting with nice Mr. Tidmarsh in Appointments or pursuing their feud over a plug with Mr. Cunliffe in Personnel. This is not a normal day. Someone has an eye on them and a shadow is falling across their tranquil lives. **Are they about to be fired?**

**Bawtry**  
**Caroline Comes to Tea- Dilys Owen**  
A light comedy set in the 1920's. It features 2 sisters who are horrified by the 'shocking behaviour' of their third sister, the eponymous Caroline, who is summoned to tea to explain her outrageous and scandalous behaviour!
